### ECO-DARNEL

Our products are recyclable, as well as their packaging box made with 70% paper pulp and 30% recycled paper.

### FOOD STANDARDS

Bamboo Bowls are made from raw materials according to FDA (Food and Drug Administration) standards for direct food contact, per regulation Title 21 CFR 176.170 for Bamboo pulp products, Title 21 CFR 175.300 for PET Lids.

### STORAGE

Store in a dry, cool, and ventilated place without exposure to direct sunlight. Our products comply with applicable legislation and requirements.

### MATERIAL

**Bowls:** Made from virgin food-grade Bamboo pulp.

**Lids:** Polyethylene Terephthalate (PET). Products are 100% recyclable, hygienic, and durable.
