## The plus your food needs

### Functional and sustainable!

100% recyclable

Made with up to 50%  
post-industrial  
material

BPA and  
phthalates free

Its material is in high  
demand for recycling

**Resistant to high and low temperatures**

**Spoonable**

**Leak Proof lids and compartments prevent food from combining**

**Microwavable**

**Easy closure**

**Optional Vents**

When **opened** steam escapes and keeps food crispy, when **closed** packaging is leak proof.

**Reusable**

Use it as a lunch box to take food to school, the office, picnics, etc. You can also store food in the refrigerator and preserve its freshness longer.
