EARTH AND WALLET FRIENDLY

Reusable Containers

Transformative prepared food packaging

Are you looking for a modern container that exceeds your expectations when it comes to transporting food? **Darnel presents its ProToGo® Plus line**, very resistant, leak proof and microwave-safe containers.

Perfectly stackable

They click together for more stable stacking.

Restaurants

Cafeterias

Schools

Households

Events

Offices

The plus your food needs

Functional and sustainable!

100% recyclable

Made with up to 50%
post-industrial
material

BPA and
phthalates free

Its material is in high
demand for recycling

Resistant to high and low temperatures

Spoonable

Leak Proof lids and compartments prevent food from combining

Microwavable

Easy closure

Optional Vents

When **opened** steam escapes and keeps food crispy, when **closed** packaging is leak proof.

Reusable

Use it as a lunch box to take food to school, the office, picnics, etc. You can also store food in the refrigerator and preserve its freshness longer.
